## **INTERNAL AUDIT CHARTER**

### **MISSION AND SCOPE OF WORK**

The mission of internal audit department is to provide independent, objective assurance and consulting services designed to add value and improve the organization's operations. It helps the organization accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

The scope of work of the internal audit department is to determine whether the organization's network of risk management, control, and governance processes, as designed and represented by the management, is adequate and functioning in a manner to ensure:

- Risks are appropriately identified and managed.
- Interaction with the various governance groups occurs as needed.
- Significant financial, managerial, and operating information is accurate, reliable, and timely.
- Employees' actions are in compliance with policies, standards, procedures, and applicable laws and regulations.
- Resources are acquired economically, used efficiently, and adequately protected.
- Programs, plans, and objectives are achieved.
- Quality and continuous improvement are fostered in the organization's control processes.
- Significant legislative or regulatory issues impacting the organization are recognized and addressed appropriately.

Opportunities for improving management control, profitability, and the organization's image may be identified during audits. They will be communicated to the appropriate level of management.

### **ACCOUNTABILITY**

The chief audit executive, in the discharge of his/her duties, shall be accountable to the management and the audit committee to:

- Provide annually an assessment on the adequacy and effectiveness of the organization's processes for controlling its activities and managing its risks in the areas set forth under the mission and scope of work.
- Report significant issues related to the processes for controlling the activities of the organizations and its affiliates, including potential improvements to those processes, and provide information concerning such issues through resolution.
