Item 1. Business

Business Development

Metro Global Holdings Corporation (the Company), formerly Fil-Estate Corporation, was incorporated on September 17, 1954 originally as San Jose Oil, Incorporated. The original and primary purpose of the corporation was to prospect for and market oil, natural gas and other minerals and, secondarily, to invest in non-mining corporations or other enterprises. The Company listed in the Philippine Stock Exchange (PSE) on May 4, 1964.

In July 1996, the Board of Directors (BOD) and the stockholders of the Company approved (a) the change in the Company's primary purpose from oil exploration to that of a holding Company authorized to engage in property and infrastructure development and the relegation of its erstwhile primary purpose to one of the Company's secondary purposes, and (b) the increase in the Company's authorized capital stock from P300.0 million, divided into 30.0 billion shares with a par value of P0.01 per share, to P2 billion, divided into 2 billion shares with a par value of P1.00 per share and (c) the declassification of Class A and B common shares to a single class of common shares.

On January 22, 1998, The Securities and Exchange Commission ('SEC') approved the change in corporate name of San Jose Oil, Incorporated to Fil-Estate Corporation, accompanied by a shift in the primary purpose to that of a holding company engaged in property and infrastructure development, the declassification of Class A and B common shares to a single class of common shares, and the change in par value of its shares from P0.01 in 1997 to P1.00 in 1998.

On December 11, 2000, the SEC approved the Company's increase in authorized capital stock from 300.0 million shares to two (2) billion shares. Fil-Estate Management, Inc. (FEMI) subscribed to 700 million shares in exchange for the assignment of its interests in the Metro Rail Transit Holdings, Inc. (MRTHI) and Metro Rail Transit Corp., Limited (MRTCL).

On September 9, 2004, the SEC approved the extension of the Company's term of existence for another fifty (50) years.

The Company's key investment is in the form of equity interest in MRTHI and Metro Rail Transit Holdings II, Inc. (MRTHII). The combined investment in these holding companies represents approximately twenty nine percent (29%) interest in the Metro Rail Transit systems ('EDSA MRT systems'). The Phase I of the MRT project (LRTS Phase I) began full operations on July 15, 2000 and involved thirteen (13) stations from the North Triangle to Taft Avenue.

The Company has a 28.47% equity interest in Monumento Rail Transit Corporation (Monumento Rail) which as a result allows participation in the train system extension (e.g. the Makati Loop) and additional train/vehicle procurements in the event the Philippine government awards the project to MRTC.

Since 2007 the Company has voluntarily suspended the trading of its securities to allow the Company to re-align its business and explore new strategic directions.

Corporate Name Change

On March 18, 2014, the BOD approved the amendment of the articles of incorporation and by-laws of the Company, a major provision of which changed its corporate name to Metro Global Holdings Corporation. The amendment was in line with the Company's plan to re-align two other existing companies, namely; Metro Countrywide Corporation and Metro Countrywide Holdings, Inc. under the umbrella of Metro Global Holdings Corporation; in effect unifying the group with the common name "Metro". The Company is likewise a substantial shareholder of MRTHI and MRTHII.

On May 30, 2014, the SEC approved the amendment of the Articles of Incorporation and By-Laws of the Company, changing its name to Metro Global Holdings Corporation.
